

2010 VERITAS AWARDS
GRACE - GALA DINNER 8 OCTOBER 2010
Dave Hughes

LORD,
Here we are on this 20th veritas day
Bless us all as now we pray
When we eat this food and drink this wine
we offer our thanks to God divine
for all the good things from the soil
made by those who daily toil
thanks for the food to give us health
supplied around from nature's wealth

This year two thousand and ten
jammer Here, ons het nie die wereld beker gewen
maar almal nou van die vuvuzela ken
we might not have won with the ball
but our wines are winners all
with bronze, silver and gold
all helped more wine to be sold

Not forgetting the first time for brandy
that aged distillate bold
that makes us feel fine and dandy
is now proud wearer of veritas gold

God bless all in this room
especially those who'll collect a medal soon
God bless the whole Veritas team
who handle this operation, it would seem
with apparent expert ease
and do it all for us to please

Now let us not forget
those who tonight will not be fed
nor have the comfort of a bed
think of those without a home
who tonight will be all alone

Now I have spoken quite enough
& before the crowd gets rough
let there be no further delay
Lord accept our grace this day

Now with our tummies you can play
as no longer slim they'll stay.

AMEN
